1. Duplicate Drip Members Creation during Bulk Drip Execution (Bug Fix)	3
---	---

## Release Notes- 1.246.7

The latest patch version of 1.246, which is patch 1.246.7 includes the following updates:

### 1. Duplicate Drip Members Creation during Bulk Drip Execution (Bug Fix)

Earlier, due to a bug, duplicate members were created when executing bulk drip campaigns, which resulted in repetitive messages and emails being sent. However, this bug has now been fixed.
